Strategy in Action: FOUNDATIONS

A short course designed to promote rapid understanding and application of the standards for strategic thinking and action in ongoing disruptive change, for individuals or team members who need to understand or be involved in strategic decision-making and implementation.

- Learn the leading-edge methodology used by organisations and people to think, plan and act in disruptive change
- Transform your mindset & approach to strategy, change & decision-making
- Understand how to monitor, report on and address the conditions that are impacting (& may impact) your organisation
- Connect with like-minded strategic leaders taking advantage of disruptive change

Click here to watch a short video to find out more about Strategy in Action

Strategy in Action is very practical to understand and apply. It really challenges your mindset by making sure you constantly focus on the changing nature of conditions. For an organisation such as mine, we need an impetus to be more responsive and future-focussed and SiA has given the *reason and means to do so.*

Fiona Le Gassick, Education Leader

WHAT'S INCLUDED:

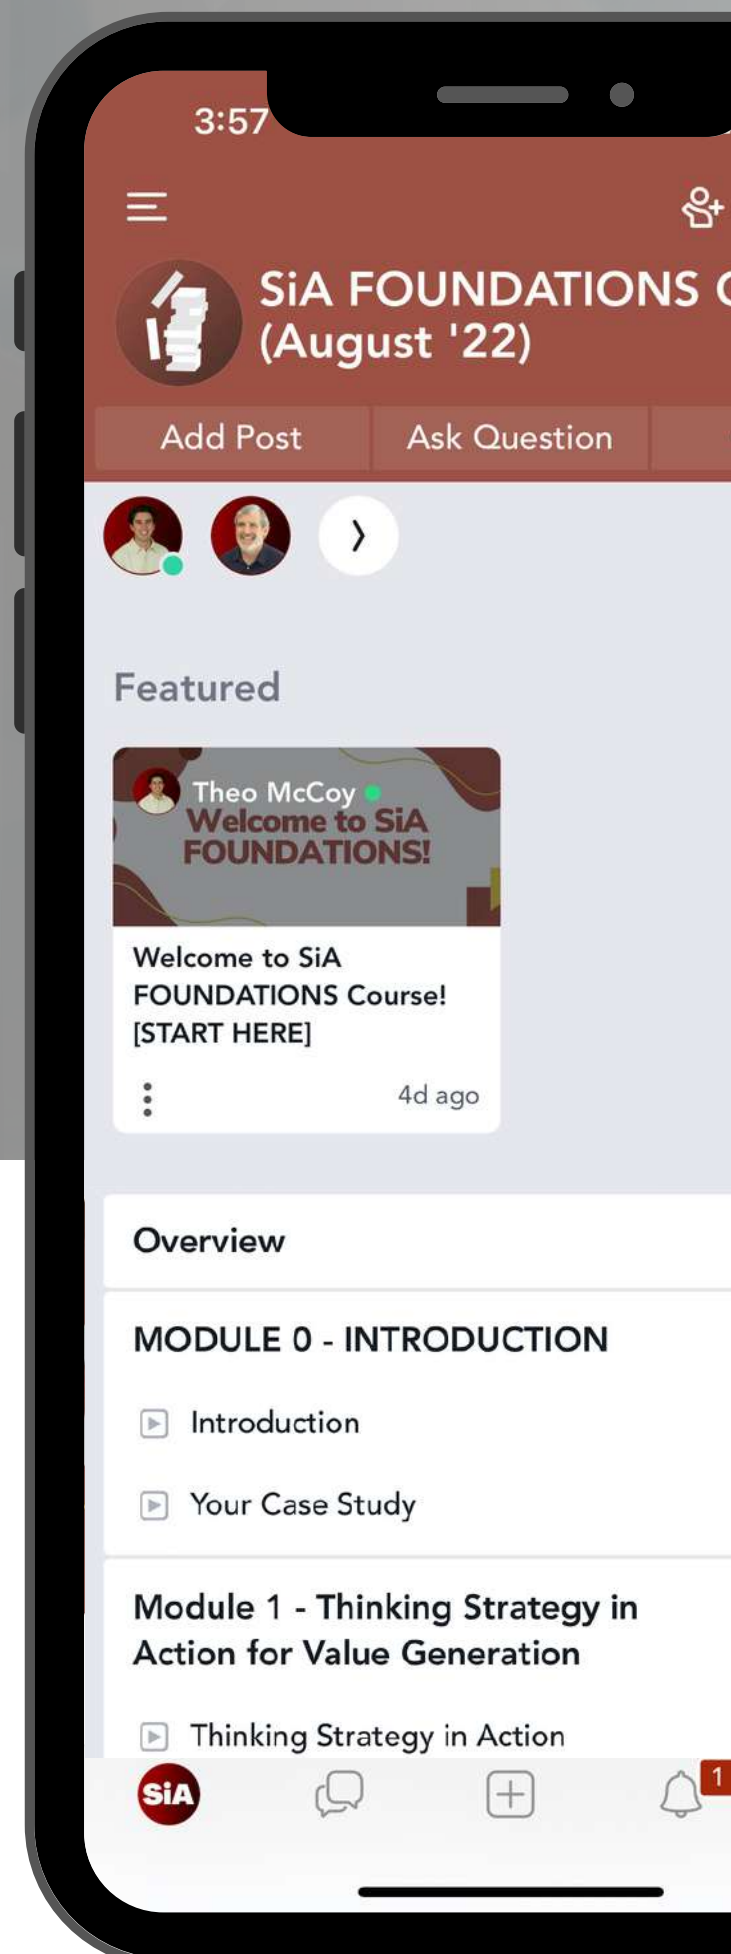

4 x 90-minute, live, online, peer-to-peer sessions with co-learners & an SiA expert course facilitator

4 x online learning modules with videos, case studies, reflection activities & reference materials
